

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JULY 12, 2005

Yesterday, the Board was given a list of the 100 highest paid County employees for 2004. The list included employees that received overtime earnings, some in excess of \$100,000.

The recent discovery of time card fraud at Martin Luther King Medical Center highlights the need to closely scrutinize all timecards and ensure that the hours recorded are in fact accurately reflecting work performed.

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Administrative Officer and Director of Human Resources to review time card protocol in place for all County departments and review how overtime is recorded and reconciled. Report back in 30 days with recommendations that may be required to ensure that there is no overtime/time card abuse taking place.
